MMCAP positions contracts for Member Facilities to use. The State Procurement Office determines which of the MMCAP contracts the State of SC will use. The following contracts **ARE** presently authorized for use by SC Member Facilities:

Pharmaceutical Prime Vendor / Wholesaler (provides distribution for MMCAP
Pharmaceutical Manufacturer contracts)

Pharmaceuticals (contracts with various pharmaceutical manufacturers)

Pharmaceutical Returned Goods Processing

Pharmaceutical Containers and Vials

Influenza Vaccine

Dental Supplies

Pharmaceutical Invoice Auditing Service (audits pharmaceutical contract invoices for
pricing accuracy)

MMCAP contracts that are **NOT** presently authorized for SC Member Facility use are:

Medical Supplies

Laboratory Supplies, Equipment and Chemicals

Prescription Filling / Pharmacy Services

Drug Testing

How to Use MMCAP Contracts: In order to use MMCAP contracts it is necessary to become a MMCAP Member Facility. The application and agreement forms for new MMCAP members can be located at the following URL:

<http://www.mmd.admin.state.mn.us/MMCAP/background/NewMemberInfo.aspx>

Completed application and agreement forms are to be forwarded to the “State Contact” in the State Procurement Office for approval. The State Contact reviews and forwards approved forms to MMCAP for processing. MMCAP will e-mail specific instructions to the applicant when processing same. New facilities need only complete the instructions applicable to the contracts they will utilize.

A document providing the statutory classifications of SC governmental entities eligible to purchase via MMCAP contracts can be found at the following link:
