IN THE MATTER OF: BID PROTEST

NBM CONSTRUCTION, INC.,

VS.

COLLEGE OF CHARLESTON
GENERAL CONSTRUCTION INDEFINITE
DELIVERY CONTRACT
PROJECT H15-D105-PG

BEFORE THE CHIEF PROCUREMENT
OFFICER FOR CONSTRUCTION

CASE NO. 2015-007

DECISION

POSTING DATE: 4/29/2015

This matter is before the Chief Procurement Officer for Construction (CPOC) pursuant to a request by NBM Construction, Inc. (NBM), under the provisions of section 11-35-4210 of the South Carolina Consolidated Procurement Code (Code), for an administrative review of the General Construction Indefinite Delivery Contract bid (the Project), for the College of Charleston (College). Subsequent to receipt of NBM's protest, the College requested the CPO to cancel award pursuant to Regulation 19-445.2085(C)(7).

NATURE OF THE PROTEST

NBM's statement of protest is attached as Exhibit 1 and incorporated herein by reference.

The College's request for cancellation of award is attached as Exhibit 2 and incorporated herein by reference.

DISCUSSION

NBM claims that the Project Specification Manual required each bidder to submit a qualification package with its bid and that the College awarded contract to bidders that failed to do so. While NBM calls this an issue of responsiveness, the failure to provide required documentation of qualifications goes to responsibility. Reg. 19-445.2125. Therefore, interpreting NBM's protest liberally, the protest alleges the College failed to make a responsibility determination for each awardee and challenges the responsibility of some or all of the intended awardees. *See Appeal by Sterile Services Corporation*, Panel Case No. 1983-17 ("While the Panel does not intend to require that the **specificity** of protests be judged by highly technical or formal standards, the Panel concludes that §11-35-4210(1) does require that the

protest must in some way alert the parties to the general nature of the grounds for protest.” (emphasis supplied)

Subsequent to the receipt of NBM’s protest, the College admitted the validity of NBM’s protest by asking the CPOC to cancel the award because the College did not receive the required documentation of qualifications from some of the awardees and failed to determine the responsibility of bidders as required by S.C. Code Ann. § 11-35-1810.

DECISION

It is the decision of the Chief Procurement Officer for Construction that the College has admitted that it failed to consider the awardees’ qualifications before posting the Notice of Intent to Award.

For the foregoing reasons, the Protest is granted.

To whom it may concern,

NBM Construction wishes to fill a protest on the above referenced project.

The Project Specification Manual requires bidders to submit a qualification package with the bid. It is our position that these qualifications were not submitted by all of the contractors listed on the Notice of Intent to Award and that they should have been found non-responsive for not making a complete submission.

Thank you for your time and consideration.

Re: Cancellation of the Notice of Intent to Award (SE-670) for project H15-D105-PG
General Construction IDC.

Dear Mr. White,

The College of Charleston is requesting the cancellation of the Notice of Intent to Award (SE-670) for project H15-D105-PG General Construction IDC under South Carolina Regulation 19-445.2085. Due to a change of project managers, the new College of Charleston project manager failed to recognize the requirement of qualifications in the bid package for responsibility.

The Notice of Intent to Award (SE-670) should have listed the responsible contractors and identified those contractors found to be Non-Responsible.

Sincerely,

 4/14/15
Roland Craft, PO
