Protest Decision

Matter of: Roofing Professionals Incorporated (RPI)
File No.: 2024-007
Posting Date: May 14, 2024
Contracting Entity: Denmark Technical College
Project No.: H59-6259-PD
Description: Campus Roof Replacements

DIGEST

Protest arguing a bid that was not opened at the scheduled time and place should not be considered is denied where, after bid opening, the agency discovered a bid that was delivered to the location specified in the invitation for bid before the deadline for submitting bids.

AUTHORITY

Per S.C. Code Ann. § 11-35-4210, the Chief Procurement Officer for Construction (CPOC)¹ conducted an administrative review of a protest filed by Roofing Professionals Incorporated, (RPI). RPI's protest is attached as [Exhibit A]. This decision is based on materials in the procurement file and applicable law and precedents.

BACKGROUND

On April 1, 2024, RPI emailed the CPOC a protest of Denmark Technical College's (DTC) intent to award a contract to Owens Roofing Inc (Owens), to replace the roof on the low-sloped areas down to the existing roof decks for Rhoad Hall, Blatt Hall, and Smith Hall, (the Project). The following are relevant to this protest:

- On January 22, 2024, DTC issued an SE-310 invitation for bids to perform the work of the project. [Exhibit B]

¹ Per section 11-35-840, the CPOC delegated the administrative review of this protest to the Deputy to the State Engineer, Clint Burdett.

- The invitation for bids provided for hand delivery and mail service delivery of bids to the attention of Jessica Goff at 1126 Soloman Blatt Blvd., Denmark, S.C. 29042. [Id.]
- Bidders were required to deliver bids to DTC no later than 2 PM on February 22, 2024. [Id.]
- On February 21, 2024, at 1:05 PM, FedEx delivered a bid from Owens Roofing, Inc., (Owens) of Smithfield, North Carolina, to the attention of Jessica Goff at 1126 Soloman Blatt Blvd., Denmark, S.C. 29042. [Exhibit C]
- On February 22, 2024, at 9:52 AM, FedEx delivered a bid from AAR of North Carolina, Inc., (AAR) of Kernersville, North Carolina, to Jessica Goff at 1126 Soloman Blatt Blvd., Denmark, S.C. 29042. [Exhibit D]
- On Thursday February 22, 2024, at 2 PM, Andrew Lindler, publicly opened bids on behalf of DTC in the second-floor conference room of DTC's Blatt Building. At the bid opening, Mr. Lindler had seven bids present which he opened. [Exhibit E, 1st page] After opening these seven bids, RPI was the apparent low bidder. However, Mr. Lindler did not have the bids from either Owens or AAR present.
- The following Friday, February 23, 2024, DTC realized that it inadvertently failed to have present at the bid opening the bids of Owens and AAR and as a result failed to open those bids.
- On Monday, February 26, 2024, DTC contacted the Office of State Engineer Project Manager, Perry Derrick, to decide what to do. Mr. Derrick advised DTC that if they received the bids at the location specified in the invitation for bids before the deadline for receipt of bids, they had to open and consider the bids. Thereafter, DTC opened the bids of Owens and AAR. [Exhibit E, page 2] Owens was now the low bidder.
- On March 18, 2024, DTC posted a Notice of Intent to Award a contract to Owens. [Exhibit F]

DISCUSSION

The following provisions of law and regulation are applicable to this protest:

S.C. Code Ann. §11-35-1520. Competitive sealed bidding.

(1) Condition for Use. Contracts must be awarded by competitive sealed bidding except as otherwise provided in Section 11-35-1510.

(4) Receipt and Safeguarding of Bids. **All bids, including modifications, received before the time of opening must be kept secure and unopened,** except as provided by regulation of the board.

(5) Bid Opening. **Bids must be opened publicly in the presence of one or more witnesses, at the time and place designated in the invitation for bids and in the manner prescribed by regulation of the board.** The amount of each bid, and other relevant information as may be specified by regulation, together with the name of each bidder, must be tabulated. The tabulation must be open to public inspection at that time.

[emphasis supplied]

S.C. Code Ann. §11-35-3020. Additional bidding procedures for construction procurement.

Exceptions in Competitive Sealed Bidding Procedures. The process of competitive sealed bidding as required by Section 11-35-3015(2)(b) must be performed in accordance with the procedures outlined in Article 5 of this code subject to the following exceptions:

(c) Instead of Section 11-35-1520(10), the following provisions apply:

(i) **Unless there is a compelling reason to reject bids as prescribed by regulation of the board, notice of an intended award of a contract to the lowest responsive and responsible bidder** whose bid meets the requirements set forth in the invitation for bids **must be given** by posting the notice at a location that is specified in the invitation for bids.

[emphasis supplied]

Regulation 19-445.2050 Bid Opening.

A. Procedures.

The procurement officer of the governmental body or his designee shall decide when the time set for bid opening has arrived, and shall so declare to those present. In the presence of one or more state witnesses, **he shall then personally and publicly open all bids received prior to that time**, and read aloud so much thereof as is practicable, including prices, to those persons present and have the bids recorded. The amount of each bid and such other relevant information, together with the name of each bidder, shall be tabulated and certified in writing as true and accurate by both the person opening the bids and the witness. The tabulation shall be open to public inspection.

[emphasis supplied]

Regulation 19-445.2065 Rejection of Bids.

A. Unless there is a compelling reason to reject one or more bids, **award will be made to the lowest responsive and responsive bidder.**

Regulation 19-445.2070. Rejection of Individual Bids.

G. Exceptions to Rejection Procedures.

Any bid received after the procurement officer of the governmental body or his designee has declared that the time set for bid opening has arrived, shall be rejected **unless the bid had been delivered to the location specified in the solicitation or the governmental bodies' [sic] mail room which services that location prior to the bid opening.**

[emphasis supplied]

Protest Decision, page 4
File No. 2024-007
May 14, 2024

These provisions must be read together. Taken together, these provisions required DTC to open and consider all bids received by the time of bid opening at the time and place specified in the solicitation. They also limit DTC's ability to reject any or all bids. Specifically, they prohibit DTC from rejecting a bid that was timely delivered to a place specified in the solicitation solely on the basis that it was not opened and read at the time and place of bid opening. The law is clear that in such case the bid must be opened and considered even though the bid was not opened and read aloud at the public bid opening.² S.C. Code Ann. Reg. 19-445.2070(G); *Appeal by M.L. Clapp Construction Company*, Panel Case No. 1987-9.

As required by law, once DTC became aware that it had timely received a bid from Owens, it opened and considered Owen's bid and found it to be responsive. Thereafter, DTC appropriately included Owens bid price in its official bid tabulation and properly posted a Notice of Intent to Award a contract to Owens.

DECISION

For the forgoing reasons, protest denied.

Clint Burdett, AIA
Deputy to the State Engineer acting on behalf
of the Chief Procurement Officer for
Construction

Columbia, South Carolina

² As a practical matter, if the rule were otherwise, a State Agency could direct an award to their preferred contractor simply by failing to read aloud the bids of selected bidders.

**Re: Denmark Technical College
Campus Roof Replacements
Project Number: H59-6259-PD**

Pursuant to SC Code 11-35-4210 "RIGHT TO PROTEST", Roofing Professionals Incorporated ("RPI") challenges the Notice of Intent to Award- Design-Bid-Build Contract for the Denmark Technical College- Campus Roof Replacements- Project Number H59-6259-PD ("The project") dated 3/18/2024.

The apparent low bid referred to in the Notice of Intent to Award was not present at the official time for receipt and was opened after the deadline. Section 4.3 – "Submission of Bids", article 4.3.6 (Exhibit A) states "The official time for receipt of Bids will be determined by reference to the clock designated by the Owner's Procurement Officer or his/her designee. The Procurement Officer conducting the Bid Opening will determine and announce that the **deadline** has arrived and **no further Bids or bid modifications will be accepted.**" Because of the failure to meet bid submission requirements clearly outlined in Section 4.3- "Submission of Bids", namely articles 4.3.3, 4.3.4, 4.3.5 and 4.3.6, the apparent low bid should be rejected and awarded to the low bid that meets all documented requirements.

Best regards,

Jordan Bradford
Chief Sales Officer

§ 4.2.5 By submitting a Bid Bond via an electronic bid bond authorization number on the Bid Form and signing the Bid Form, the Bidder certifies that an electronic bid bond has been executed by a Surety meeting the standards required by the Bidding Documents and the Bidder and Surety are firmly bound unto the State of South Carolina under the conditions provided in this Section 4.2.

§ 4.3.1 A Bidder shall submit its Bid as indicated below:

§ 4.3.2 All paper copies of the Bid, the bid security, and any other documents required to be submitted with the Bid shall be enclosed in a sealed opaque envelope. The envelope shall, unless hand delivered by the Bidder, be addressed to the Owner's designated purchasing office as shown in the invitation to bid. The envelope shall be identified with the Project name, the Bidder's name and address, and, if applicable, the designated portion of the Work for which the Bid is submitted. § 4.3.4 The Bidder shall assume full responsibility for timely delivery at the location designated for receipt of Bids.

§ 4.3.5 A Bid submitted by any method other than as provided in this Section 4.3 will not be accepted. Oral, telephonic, telegraphic, facsimile or other electronically transmitted bids will not be considered.

§ 4.3.6 The official time for receipt of Bids will be determined by reference to the clock designated by the Owner's Procurement Officer or his/her designee. The Procurement Officer conducting the Bid Opening will determine and announce that the deadline has arrived and no further Bids or bid modifications will be accepted. All Bids and bid modifications in the possession of the Procurement Officer at the time the announcement is completed will be timely, whether or not the bid envelope has been date/time stamped or otherwise marked by the Procurement Officer.

§ 4.4 Modification or Withdrawal of Bid

§ 4.4.1 Prior to the date and time designated for receipt of Bids, a Bidder may submit a new Bid to replace a Bid previously submitted, or withdraw its Bid entirely, by notice to the party designated to receive the Bids. Such notice shall be received and duly recorded by the receiving party on or before the date and time set for receipt of Bids. The receiving party shall verify that replaced or withdrawn Bids are removed from the other submitted Bids and not considered. Notice of submission of a replacement Bid or withdrawal of a Bid shall be worded so as not to reveal the amount of the original Bid.

§ 4.4.2 Withdrawn Bids may be resubmitted up to the date and time designated for the receipt of Bids in the same format as that established in Section 4.3, provided they fully conform with these Instructions to Bidders. Bid security shall be in an amount sufficient for the Bid as resubmitted.

ARTICLE 5 CONSIDERATION OF BIDS
