Protest Decision

Matter of: Grey Snow Services, LLC

File No.: 2025-121

Posting Date: August 13, 2025

Contracting Entity: State Fiscal Accountability Authority, Division of Procurement Services

Solicitation No.: 5400027356

Description: STC, Toner, Remanufactured (Dell & HP)

DIGEST

The Chief Procurement Officer denies the protest of Grey Snow Services, LLC (Grey), as it raises a matter of contract administration and fails to state a proper ground of protest. Grey's protest is attached as Exhibit A.

AUTHORITY

The Chief Procurement Officer¹ (CPO) conducted an administrative review pursuant to S.C. Code Ann. §11-35-4210. This decision is based on materials in the procurement file and applicable law and precedents.

¹ The Materials Management Officer delegated the administrative review of this protest to the Deputy Chief Procurement Officer.

BACKGROUND

Invitation for Bids Issued	09/09/2024
Amendment 1 Issued	10/09/2024
Statement of Intent to Award Posted	11/20/2024

The facts pertinent to this decision are:

- On September 09, 2024, the Division of Procurement Services (DPS) advertised for bids to establish a source for remanufactured toner cartridges compatible with Dell (Lot 1) and HP (Lot 2) printers. The bidders were required to adhere to multiple standards as noted in the solicitation:
 - Bidders were required to “furnish remanufactured toner cartridges that have been fully remanufactured to specifications equal to or exceeding standards of cartridge quality and performance cartridge as set by original equipment manufacturers (OEMs) and the remanufactured toner cartridge industry. Toner cartridges furnished to these specifications shall meet or exceed the latest remanufactured toner cartridge standards, including but not limited to the guidelines adopted by the Standardized Test Methods Committee (STMC), the American Society for Testing and Materials (ASTM) and the International Safe Transit Association (ISTA), including the F 2036 Standards and ISTA – Integrity Procedure 1A Standards (ISTA 1A). This list is not comprehensive; Contractor must at all times remain in compliance with these and other industry standards. Contractor shall at all times throughout the duration of this contract remain certified by the STMC for the remanufacturing of toner cartridges.”
- Amendment 1 answered supplier questions and reissued the solicitation with some modification. As used hereinafter, reference to the solicitation is a reference to Amendment 1. [Exhibit B]
- Bidders were advised in the solicitation and the Bidding Schedule that failure to offer on all line items within a lot would make the offer non-responsive for that lot.
- By the deadline for receipt of bids, DPS received fifteen bids for both lots; however, one bid was deemed non-responsive in its entirety on the grounds that they failed to submit

pricing on all items within the Lots. Four additional bids were deemed non-responsive for Lot 2 based on the same grounds. [Exhibit C]

- On November 20, 2024, DPS posted a notice of intent to award a contract to Academic Supplier and The Office Pal, Inc. (Office Pal). Academic Supplier was the awardee for Lot 2 for HP Remanufactured Toner Cartridges. The evaluated amount of this lot was \$695,100. Office Pal was the awardee for Lot 1 for Dell Remanufactured Toner Cartridges. The evaluated amount of this lot was \$92,000. [Exhibit D]
- On November 27, 2024, Grey submitted an Intent to Protest. On December 05, 2024, Grey perfected its protest of both Academic Supplier and Office Pal's intended awards. Grey argued that the low pricing offered by Academic Supplier and Office Pal was indicative of offering a product that was not a true remanufactured product in compliance with the solicitation.

DISCUSSION

Grey protests that Office Pal and Academic Suppliers have bid at prices that raises questions about whether the toner cartridges are remanufactured or whether they are simply single-use plastic "compatible" cartridges. According to Grey:

[W]e're concerned the pricing offered by the winning bidders may indicate the cartridges are not remanufactured but instead single-use plastic "compatible" cartridges. These are new cartridges manufactured overseas at low cost, providing no environmental benefits. They offset no CO2 emissions and end up as waste after a single use, potentially leading to negative publicity for the program.

(Ex. A, Grey Protest).

Grey's protest, however, merely speculates that Office Pal and Academic Suppliers will be unable to perform. The Procurement Review Panel has consistently held that a protest based on grounds that an awardee "cannot perform the contract at the price bid" does not state a proper ground of protest. *Appeal by VetPride Serv., Inc.*, Case No. 2018-5. Grey's protest simply "raises

a matter of contract administration based on speculation that [the awardee] may violate the contract.” *Id.*

Here, by signing their bids, both Office Pale and Academic Suppliers agreed to be bound by all the IFB’s requirements, including that the remanufactured toner cartridges will meet or exceed the standards stated in the IFB. Accordingly, Grey’s protest fails to state a proper ground of protest.

Upon receipt of the protest, as a means of due diligence, the CPO did reach out to both Office Pal and Academic Supplier to confirm the products being offered adhere to the standards referenced within the solicitation document. Each company confirmed their compliance and validated their pricing as being firm and accurate.

DECISION

For the reasons stated above, the CPO denies Grey’s protest.

Re: Bid 5400027356 STC Remanufactured Toner

To Ms. Hardee,

Thank you we acknowledge receipt of suspension of award email. We appreciate the opportunity to provide this further supporting information in response for the high quality remanufactured products to the State of South Carolina, which dovetails nicely into SustainSC's "Circular Economy" initiative to reduce landfill waste and lower carbon emissions.

I sent news of this award over to the team at SustainSC.org highlighting the significance of this bid. My note is included below:

"South Carolina is leading the #reuse economy through innovative procurement policies, offering a great opportunity for you to track plastic waste diversion and CO₂ reduction efforts for your annual Circular Economy reporting. A recent statewide bid award (5400027356) will procure 30,000 remanufactured ink and toner cartridges for agencies, educational institutions, and local governments. Each remanufactured cartridge reuses plastic, keeping 1.5 lbs of metals and plastic out of landfills and lowering CO₂ emissions by 7.9 lbs. Across 30,000 cartridges, this equates to 23 tons of waste diverted and 108 metric tons of CO₂ emissions eliminated. Tracking these shipments showcases South Carolina's leadership in the circular economy and strengthens your sustainability reporting. Let's work together to turn procurement into a powerful tool for positive environmental change."

South Carolina's cities, counties, and universities will likely include the metrics out of bid 5400027356 in their annual sustainability reports. We are also coordinating with DHEC's Office of Solid Waste Reduction to discuss integrating remanufactured supplies into their Green Government Initiative.

With significant focus on the environmental impact of this bid, we're concerned the pricing offered by the winning bidders may indicate the cartridges are not remanufactured but instead single-use plastic "compatible" cartridges. These are new cartridges manufactured overseas at low cost, providing no environmental benefits. They offset no CO₂ emissions and end up as waste after a single use, potentially leading to negative publicity for the program.

Our supplier, with 28 years of experience, is a trusted advisor to government agencies that define remanufactured cartridge standards. As the world's largest remanufacturer of ink and toner, their scale and automation enable unmatched cost efficiency. Other remanufacturers, with smaller operations and less automation, naturally face higher costs. True remanufactured products typically result in tightly clustered bid prices due to similar processes and materials, making **outliers** worth scrutiny.

Outlier Investigation: Simple example using the HP CE505A (05A):

Your current vendor, Office Pal, won the previous bid with a [contract price](#) of \$6 for a "remanufactured" HP CE505A. To remanufacture, virgin cores must first be procured. For reference, an eBay seller lists 24 virgin cores at \$125, or \$5.20 each—just for the plastic. This doesn't include labor, chips, parts, boxes, or shipping, all required for remanufacturing.

This raises serious questions about how a \$6 "remanufactured" cartridge price is feasible.

As a quick comparison, here are some example retail prices:

- [\\$10.95](#): Typical RETAIL price for a 05A compatible cartridge (you'd expect bids for compatibles lower, but clustered near this price).
- [\\$66.50](#): Typical RETAIL price for a 05A remanufactured cartridge (you'd expect remanufactured bids lower, but

clustered near this range).

Solution: We will test your current cartridges for free

Since the new winner is also your current vendor (Office Pal) we do not have to speculate, or offer conjecture, to test the validity of claims that they provide a remanufactured product at an unbelievable price. These products are all over South Carolina.

1. We will test random samples from a multitude of locations and printer types
2. We would also expect the IT teams to review case reports involving printers from years preceding Office Pal contract, and during their performance of it.
 - a. e.g. Trends in Printer issues - overall issues and those involving print quality, failure, etc.

Final Thoughts:

- Rasix dba Academic Supplier oddly shares the same [Registered Agent](#) in Tallahassee as Office Pal
- In 2020, this same duo (Rasix and OfficePal) won the countywide bid for the County of Los Angeles.
 - Besides being the winners, we noted similarities to your bid:
 - Very large bids that go with lowest price vendor
 - Variety of agencies and entities
 - Orders go directly to end users who are often not technical (orders don't go centralized IT team or warehouse where products might be scrutinized)
 - Recycling program to remove cartridges from premises
 - Discovery of wrongdoing does not seem to carry a penalty big enough to discourage bad actors

The certification will be considered in connection with a review of the Offeror's responsibility. Failure of the Offeror to furnish additional information as requested by the Procurement Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly or in bad faith rendered an erroneous certification, in addition to other remedies available to the State, the Procurement Officer may terminate the contract resulting from this solicitation for default.

DUTY TO INQUIRE (FEB 2015)

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to the State's attention. See clause entitled "Questions from Offerors." [02-2A070-2]

ETHICS CERTIFICATE (MAY 2008)

By submitting an offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding of contract. If this solicitation is an Invitation for Bids, each separate offer must be submitted or uploaded as a separate document and must clearly indicate that it is a separate offer. Do not include any sales or use taxes in Your price that the State may be required to pay. [02-2A080-1]

PRICING (MAR 2024)

(a) Fixed Price. If a fixed price is required, award will not be made on an Offer if the total possible price to the State cannot be determined. (b) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. S.C. Code Ann. Reg. 19-445.2070E. (c) Unbalanced Pricing. The State will analyze all offers with separately priced line items or subline items to determine if the prices are unbalanced. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more-line items is significantly over or understated. The responsible procurement officer may reject an offer as unreasonably priced if she determines that unbalanced pricing increases performance risk (e.g., it is so unbalanced as to be tantamount to allowing an advance payment) or could result in payment of unreasonably high prices. S.C. Code Ann. Reg. 19-445.2122C. [02-2A082-1]

RESPONSIVENESS (MAR 2024)

(a) Award will not be made on a nonresponsive offer. (b) Bid as Specified. Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation. [02-2A105-3]

In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. DISCLOSURE OF YOUR BID / PROPOSAL and SUBMITTING CONFIDENTIAL DATA (FEB 2021)

(a) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." **IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE STATE MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.** (b) By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected", (2) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. (c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer. (d) Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. (e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35- 1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. (f) In determining whether to release documents, the State will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected". By submitting a response, you agree to defend, indemnify and hold harmless the State of South Carolina, its agencies, officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the State of South Carolina or any of its agencies, that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". (All references to S.C. Code of Laws.) [02-2A125-3]

ADMINISTRATIVE SERVICES FEE - COLLECTION AND REPORTING (MAR 2024)

(a) Procurement Services (PS) establishes and maintains master State contracts for the benefit of all South Carolina state and local public entities. These contracts allow all public entities both to maximize the State's purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. Procurement Services' cost for this central purchasing activity is offset by an administrative fee which each contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with the clause titled "ADMINISTRATIVE SERVICES FEE - CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. - Mar., Apr. - Jun., Jul. - Sep., and Oct. - Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-1254 (ask to speak to the Reports Manager)

Failure to receive the information packet does not relieve contractor from its obligations hereunder.

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(d) During the term of this contract and for a period of three years thereafter, PS or its authorized representatives shall be afforded access at reasonable times to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (e)) and reimburse PS for all costs of the audit.

(e) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall accrue interest as provided in the Payment and Interest clause for amounts due to the State. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(f) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

(1) direct the contractor to not accept any further orders under the contract until PS determines that the cause for such direction has been eliminated;

(2) terminate this contract;

(3) direct the contractor to not accept any further orders under any other master State contract established by PS until PS determines that the cause for such direction has been eliminated.

(g) For purposes of this clause, PS is intended as a third-party beneficiary of this contract. [03-3090-4]

ADMINISTRATIVE SERVICES FEE - CALCULATION - SPO (MODIFIED)

For each reporting period, Contractor shall pay to Procurement Services a fee equal to one and one quarter (1.25%) percent of the total dollar amount of purchases made by any public procurement unit from Contractor pursuant to this contract (excluding sales taxes and adjusted for credits or refunds).

Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not increase the obligation of the State beyond what it would have been if the subcontract had contained such a clause.
- (c) The disclosure required by paragraph (a) of this provision is a material obligation of the contract. If the Contractor knew or should have known of an organizational conflict of interest prior to award, or discovers an actual or potential conflict after award, and does not disclose, or misrepresents, relevant information to the Procurement Officer, the State may terminate the contract for default. [07-7A054-1]

[07-7A075-1]

Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. If any such change increases or decreases the contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the State promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the State is prejudiced by the delay in notification.

(4) Claim Barred After Final Payment. No claim by the contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

[07-7B025-1]

CISG (JAN 2006)

The responsibilities of all parties involved will be discussed to assure a meeting of the minds of all concerned. The successful contractor or his duly authorized representative shall be required to attend at contractor's expense. [07-7B040-1]

No sales may be made pursuant to this contract for any item or service that is not expressly listed. No sales may be made

pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment. [07-7B045-1]

CONTRACTOR PERSONNEL (JAN 2006)

The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. [07-7B060-1]

CONTRACTOR'S OBLIGATION -- GENERAL (JAN 2006)

The contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime contractor and assume full responsibility for any subcontractor's performance. The contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements. [07-7B065-1]

DEFAULT (JAN 2006)

(a) (1) The State may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to:

- (i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
- (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or
- (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).

(2) The State's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, the State may require the Contractor to transfer title and deliver to the State, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which the State has an interest.

(f) The State shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes

clause.

(h) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this contract. [07-7B075-1]

ESTIMATED QUANTITY -- PURCHASES FROM OTHER SOURCES (JAN 2006)

The state may bid separately any unusual requirements or large quantities of supplies covered by this contract. [07-7B090-1]

ESTIMATED QUANTITY -- UNKNOWN (JAN 2006)

The total quantity of purchases of any individual item on the contract is not known. The State does not guarantee that the State will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information. [07-7B095-1]

ILLEGAL IMMIGRATION (NOV 2008)

(An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." INDEMNIFICATION-INTELLECTUAL PROPERTY (JAN 2006)

(a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon State. State shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against State's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for State the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by State. If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefor, and take all steps necessary to have State released from any further liability. (c) Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor's compliance with specifications furnished by the State unless Contractor knew its compliance with the State's specifications would infringe an IP right, or (ii) that the claim is caused by Contractor's compliance with specifications furnished by the State if the State knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of wo(e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement. [07-7B103-1]

LICENSES AND PERMITS (JAN 2006)

[07-7B115-1]

MATERIAL AND WORKMANSHIP (JAN 2006)

PRICE ADJUSTMENTS (JAN 2006)

(1) Method of Adjustment. Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):

(a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(b) by unit prices specified in the Contract or subsequently agreed upon;

(c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;

(d) in such other manner as the parties may mutually agree; or,

(e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed, all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

order or contract modification with contractor which exceeds \$100,000. The state may audit your records at reasonable times and places. STATEWIDE TERM CONTRACT (FEB 2021)

(a) With this solicitation, the state seeks to establish a term contract (as defined in Section 11-35-310(35)) available for use by all South Carolina public procurement units (as defined in Section 11-35-4610(5)). Use by state governmental bodies (as defined in Section 11-35-310(18)), which includes most state agencies, is mandatory except under limited circumstances, as provided in Section 11-35-310(35). See clause entitled ~~~Acceptance of Offers 10% Below Price ~~~ in Part VII.B. of this solicitation. Use by local public procurement units is optional. Section 11-35-4610 defines local public procurement units to include any political subdivision, or unit thereof, which expends public funds. Section 11-35-310(23) defines the term political subdivision as all counties, municipalities, school districts, public service or special purpose districts. (b) The State shall be entitled to audit the books and records of you and any subcontractor to the extent that such books and records relate to the performance of the work. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the contract and by the subcontractor for a period of three years from the date of final payment under the subcontract, unless a shorter period is otherwise authorized in writing by the Chief Procurement Officer. (c) Notwithstanding the "Purchase Orders" clause, a Using Governmental Unit may include additional contract terms in a purchase order if and to the extent necessary for the Using Governmental Unit (i) to comply with federal laws as are mandatorily applicable to an expenditure of federal assistance, grant, or contract funds, or (ii) to impose organizational, operational, or technical security measures designed to protect the integrity, availability, or confidentiality of the Using Governmental Unit's data. Additional contract terms may not be used if they involve an increase in pricing or materially alter the scope of work. Contractor may decline to honor a purchase order that includes additional contract terms, but only

if the Contractor provides the applicable Using Governmental Unit with prompt written notice of such rejection and the work acquired with that purchase order has not begun. For purposes of a specific purchase order, Contractor accepts additional contract terms by performing any of the work acquired with that purchase order. As used herein, "additional contract terms" means only those additional terms not otherwise expressly allowed by this contract.

(d) EFT information the Contractor provides to the State Treasurer's Office (STO) is only used to process payment of invoices to Using Governmental Units on whose behalf the STO makes payment. With regard to the items acquired, the alternate vendor must agree to be bound by all the terms and conditions of this contract. All acquisition pursuant to this clause must be documented by the procurement officer using the attached form. [07-7B227-1]

TERM OF CONTRACT -- TERMINATION BY CONTRACTOR (JAN 2006)

Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least 90 days prior to the expiration of the then current term. [07-7B250-1]

TERMINATION FOR CONVENIENCE -- INDEFINITE DELIVERY / INDEFINITE QUANTITY CONTRACTS (JAN 2006)

Unless the termination so provides, a termination for convenience shall not operate to terminate any purchase orders issued prior to the effective date of termination. [07-7B255-1]

TERMINATION FOR CONVENIENCE (JAN 2006)

(1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the State. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract

terminated and when termination becomes effective.

(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the State. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the State in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the State has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the State has breached the contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the State, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the State's right to require the termination of a subcontract, or (ii) increase the obligation of the State beyond what it would have been if the subcontract had contained an appropriate clause.

[07-7B265-1]

Section 11-35-310(35) of the South Carolina Code of Laws reads as follows: ""Term contract" means contracts established by the chief procurement officer for specific supplies, services, or information technology for a specified time and for which it is mandatory that all governmental bodies procure their requirements during its term. As provided in the solicitation, if a public procurement unit is offered the same supplies, services, or information technology at a price that is at least ten percent less than the term contract price, it may purchase from the vendor offering the lower price after first offering the vendor holding the term contract the option to meet the lower price. The solicitation used to establish the term contract must specify contract terms applicable to a purchase from the vendor offering the lower price. If the vendor holding the term contract meets the lower price, then the governmental body shall purchase from the contract vendor. All decisions to purchase from the vendor offering the lower price must be documented by the procurement officer in sufficient detail to satisfy the requirements of an external audit. A term contract may be a multi term contract as provided in Section 11-35-2030."
