BEFORE THE CHIEF PROCUREMENT  
OFFICER FOR CONSTRUCTION

DETERMINATION

CASE NO. 2010-016

POSTING DATE:  
APRIL 28, 2010

This matter is before the Chief Procurement Officer for Construction (CPOC) pursuant to a request from the South Carolina Department of Juvenile Justice (DJJ) to cancel award of a contract to JC Wilkie Construction for demolition and recycling of the Hickory Dormitory (the Project) because DJJ inappropriately applied the resident vendor preference in determining the low bidder. [A copy of DJJ’s request is attached as Ex. A]

**CPOC FINDINGS**

On January 28, 2010, DJJ advertised for bids on the project. By the time for opening bids, DJJ received bids from seven contractors including Wilkie. [DJJ’s bid tabulation is attached as Ex. B] Wilkie’s bid was the second low bid. However, Wilkie claimed the South Carolina Vendor Preference in its bid. [Ex. C] It appears only one other bidder claimed a preference. After crediting Wilkie with a South Carolina Vendor Preference, DJJ determined Wilkie to be the low bidder. On March 10, 2010, DJJ posted a notice of award to Wilkie. Subsequent to award, Corley Construction contacted DJJ to question the application of a resident vendor preference to a construction acquisition.

The resident vendor preference does not apply to “the acquisition of services related to construction.” *SC Code Ann § 11-35-1524(5)*. The definition of construction found in the Consolidated Procurement Code includes demolition of a “public infrastructure facility, including any public structure, public building, or other public improvements of any kind to real

property.” *SC Code Ann § 11-35-310(7)*. This project falls squarely within the definition of construction and it was error to apply the resident vendor preference for purposes of making an award.

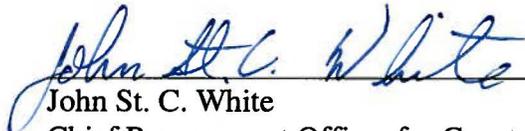

**DETERMINATION**

**CANCELLATION OF AWARD PRIOR TO PERFORMANCE**

The S.C. Code Ann. § 11-35-1520(7) authorizes the cancellation of awards or contracts after award but before performance in accordance with regulations promulgated by the Board. Regulation 19-445.2085(C) allows the cancellation of an award prior to performance only upon written determination of the chief procurement officer that cancellation is warranted in accordance with the provisions set forth therein. One such provision is a determination that there was administrative error on the part of the purchasing agency in making the award and that such error was discovered prior to performance.

While the authority to cancel awards and solicitations should be exercised carefully and sparingly, cancellation is warranted where, as here, the award was not made to the lowest responsive and responsible bidder due to DJJ erroneously applying the resident vendor preference statute to an acquisition of construction in violation of the explicit language of that statute. Because Wilkie was not the low bidder, it was administrative error for DJJ to offer a contract to Wilkie for construction services. Moreover, this error was discovered before performance by Wilkie.

For the foregoing reasons the South Carolina Department of Juvenile Justice’s Notice of Award to Wilkie is hereby cancelled.

EX. A

March 18, 2010

R. Voight Shealy  
Materials Management Officer  
1201 Main Street, Suite 600  
Columbia, SC 29201

Mr. Shealy,

The SC Department of Juvenile Justice (SCDJJ) attempted to purchase demolition services with RFQ DJJ10-2000051164. This solicitation closed on March 4, 2010 at 2:00 P. M. and the award was posted to J. C. Wilkie Construction on March 10, 2010. Soon thereafter the buyer, Dennis Looby, received a call from Corley Construction questioning the application of preference in this award. SCDJJ processed this award by use of the Resident Contractor Preference as it was considered a service. This call prompted us to take another look at our award. After a conversation with State Audit Manager, Jimmy Aycock; I have concluded that SCDJJ incorrectly applied preference to a construction solicitation which is contrary to the guidelines of the SC Consolidated Procurement Code (11-35-1524). This RFQ should have been awarded to the lowest responsive bidder on the total bid price which was CST Environmental Acquisition who bid a total of \$23,800.

SCDJJ asks that you overturn this award prior to performance as allowed under 11-35-1520(7) as this was an administrative error on the part of our Agency. There is some urgency as to the demolition of this building. Please contact me at 896-5643 if there is any information I can provide that will help you in your determination. Attached please find: bid package to include amendments one and two, responses, award statement, stay of award statement, and bid tab sheets.

Sincerely,

Steve Pullie, CPPB  
SCDJJ Procurement Director
