Project Name: HEALTH SCIENCES
RENOVATION

Project Number: H27-6052-AC

Location: University of South Carolina,
Columbia

Applicable SCBO Notes: 1, 4, & 5

Location at Which Public Notice of

Meetings Will Be Posted: USC Facilities,
743 Greene St., Columbia, SC
29208

Description of Project: The University of
South Carolina is seeking archi-
tectural & engineering services
for comprehensive renovations &
fire protection / life safety up-
grades to the Health Sciences
Building, a three-story, approxi-
mately 53,000 sq. ft. building lo-
cated on Sumter Street in the his-
toric Horseshoe District.

The project scope includes a
general renovation to include re-
configuration of space to house
academic offices & classrooms as
well as upgrades to building sys-
tems (mechanical, plumbing &
electrical) & repairs to the exterior
building envelope. This project is
to relocate a University college /
department (currently identified
as the College of Journalism &
Mass Communications) to the
School of Public Health Building
& will involve detailed program-
ming sessions with the college /

department to accurately deter-
mine the space requirements of
their various functions. It will also
involve a determination of renova-
tions needed to allow the college /
department to relocate to the new
space. All design alternatives
shall include a Code Footprint
analysis & supporting studies to
fully address compliance with cur-
rent State building & life safety
codes. These studies will involve
review of all code issues as well
as review of the Energy Inde-
pendence & Sustainable Con-
struction Act of 2007 to determine
if this Act will be applicable to this
renovation.

This is a two-phase project. Initial
project funding is for A/E selec-
tion for Phase I services, to in-
clude the identification, develop-
ment & evaluation of feasible al-
ternatives; planning, scope defini-
tion & the preparation of construc-
tion cost estimates, & associated
project schedules. Phase I scope
identification & construction esti-
mates will be used to identify total
funding needed for Phase II of the
project, to include full funding for
construction / renovation & com-
plete A/E design & construction
administration services.

The A/E team may have the op-
portunity to proceed to the Phase
II portion of the project. The A/E
will be subject to performance
evaluation at the DD, CD/Bid &
construction stages. Form SE-
290 will be used in these per-
formance evaluations. Any ques-
tions concerning the terms &
condition of the proposed contract
