Note 5: SUBMITTING CONFIDENTIAL INFORMATION: For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word

"CONFIDENTIAL" every page, or portion thereof, that Offeror contend contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged & confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. If only portions of a page are subject to some protection, do not mark the entire page. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "TRADE SECRET" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify & hold harmless the State of South Carolina, it's officers & employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED".
