Improvements, Part II

Description of All Professional Services

Anticipated for Project: Provide profes-
sional structural engineering & re-
lated services necessary for a full
scope of potential projects, in-
cluding feasibility studies, engi-
neering design, documentation
through construction documents
& specification preparation, &

construction administration as re-
quired

Information to Be Submitted In Addition to the Current Standard Federal Forms 254 & 255:

Provide current contact
information for at least three refer-
ences directly relevant to this
project. You may also provide
additional information as neces-
sary to fully inform the selection
committee of the abilities & char-
acteristics of the team. Provide
six Qualification Statements in
standard printed format & one in
electronic format on a Compact
Disc (CD). The CD is to contain
only one file that is to be in Adobe
Acrobat PDF format. The file is to
be identical in content to the
printed copies. The Federal gov-
ernment is now using SF330 in-
stead of SF254 & SF255. How-
ever, South Carolina law still re-
quires the use of SF254 & SF255,
so these forms must be submit-
ted. A PDF copy of these forms is
available on the OSE web site,
