**INTENT TO
SOLE SOURCE**

**PRENATAL & EARLY CHILDHOOD
HOME VISITING SERVICES
FOR MEDICAID-ENROLLED
MOTHERS & NEWBORNS**

The South Carolina Department of Health & Human Services (SCDHHS) will implement the State's first Social Impact Bond (SIB) project beginning in 2014. The project will provide prenatal & early childhood home visiting services to mothers & newborns in the State's Medicaid Program in order to improve health & other social outcomes for this population. The project will utilize a qualified service provider that will be responsible for delivering home-visiting services to up to 4,000 Medicaid-eligible mothers & newborns, raising between \$10-\$35 million from commercial & philanthropic investors to cover operating costs & absorb risk for the project, & managing a performance-based contract. The minimum qualifications required of the service provider include the ability to deliver home visiting services to the target population in a mix of urban & rural communities; utilization of an evidence-based program model that has been rigorously evaluated & has demon-

strated positive outcomes in the areas of maternal health & birth outcomes, child health & wellbeing, & child development/school readiness; the ability to raise between \$10-\$35 million from commercial & philanthropic investors; the ability to establish contractual relationships with Medicaid Managed Care Organizations; & the ability to manage a performance-based contract.

SCDHHS released a Request for Information regarding the SIB project in September 2013 & received eleven responses. These responses, in addition to market research conducted by SCDHHS, indicates that Nurse-Family Partnership, a 501(c)(3) non-profit organization that implements an evidence-based community health program, is the only vendor qualified to serve as the service provider for the SIB project.

If there are additional vendors that are interested in the Service Provider contract for the SIB project & believe that they meet the minimum qualifications outlined above, please respond via email to fbo@scdhhs.gov before January 15, 2014. If SCDHHS does not receive responses from additional qualified vendors, the Department intends to award a sole-source contract to Nurse-Family Partnership.
